

Neighbourhood Watch

A short guide of how to join in the movement

Valuing neighbourliness, inclusivity, community, resilience and being proactive to reduce crime or the fear of crime in our communities #letsstayconnected

Neighbourhood Watch Network is a Charitable Incorporated Organisation (CIO) registered in England and Wales, no: 1173349

What is Neighbourhood Watch?

- Neighbourhood Watch is the largest Crime Prevention volunteer organization in England and Wales, with over 2.3m members.
- We work within our local communities to increase the value of neighbourliness, community and resilience
- We help reduce crime and the fear of crime by providing crime prevention advice and acting upon it.
- We work in partnership with policing, councils and community groups to achieve our goals

What are the basic roles?

- **Individual member**
 - receive updates and newsletters via our messaging service
- **Member of an existing scheme**
 - feel part of the community by joining other neighbours for a common objective
- **Coordinator - Start a scheme**
 - bring your neighbours together
 - build and strengthen your community
 - make your community more resilient
 - Liaises with community partners

The joining process

Become a member

This will then enable you to choose to:

- Stay as an individual member
- Join a local scheme as a member
- Start a new scheme as a coordinator

Completing your registration

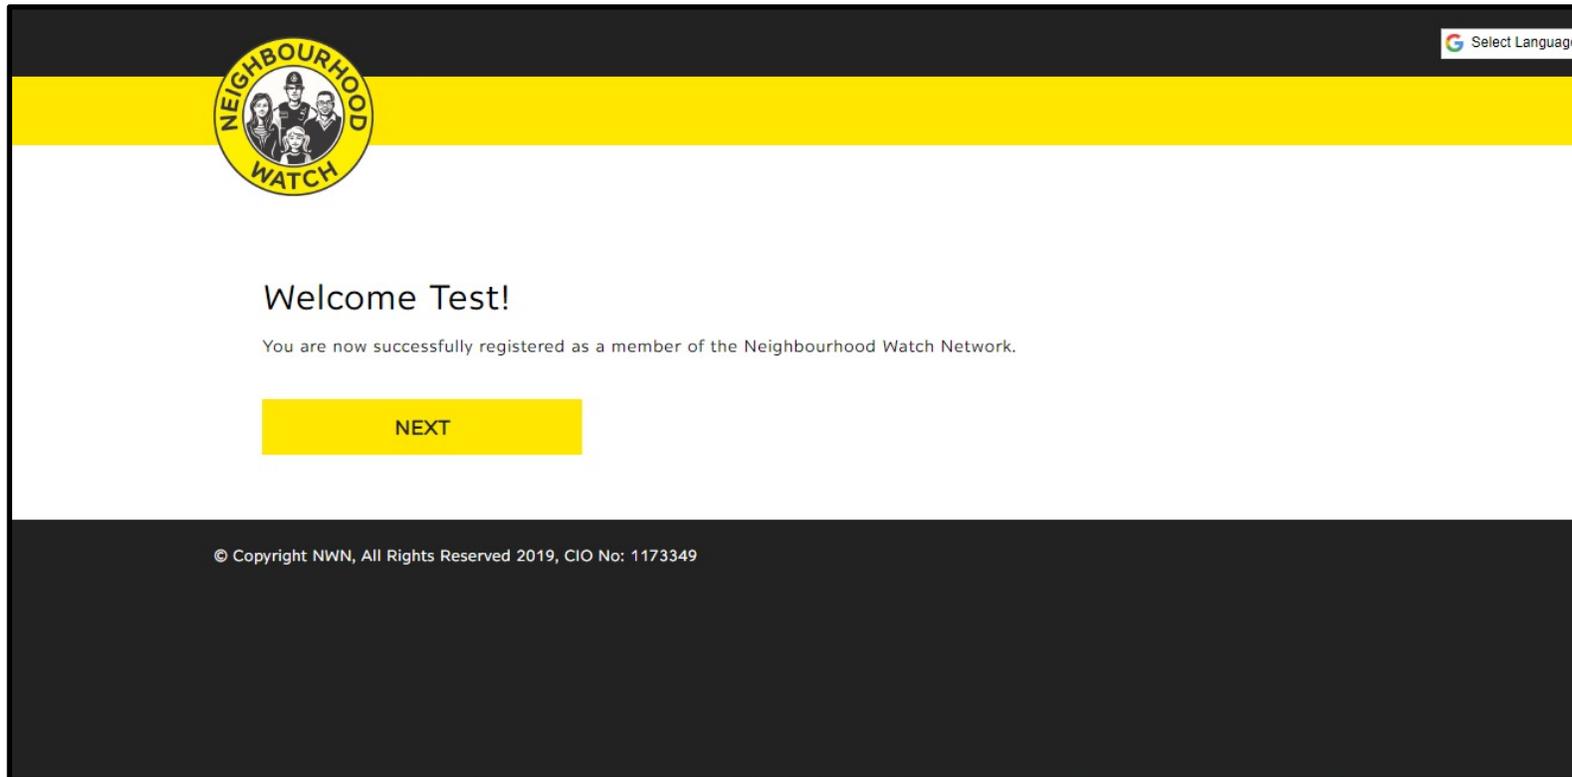

The screenshot shows a registration completion page for Neighbourhood Watch. At the top left is the Neighbourhood Watch logo. The main heading reads "Thank you Test Please complete your registration". Below this is a section titled "Your address" with a dropdown menu labeled "Select your address" and a link "My address is not here". The next section is "Your details", which includes two input fields: "Mobile number" with the placeholder "Your mobile number" and "Landline number" with the placeholder "Your landline number". At the bottom, there is a note: "These will be useful to let you know if we struggle to get email through to you."

Complete the process by filling in the fields

Registration complete – you are now a member

The screenshot shows a registration confirmation page for Neighbourhood Watch. At the top left is the Neighbourhood Watch logo, which is a circular emblem containing illustrations of a woman, a man in a uniform, and a child. The text 'NEIGHBOURHOOD WATCH' is written around the circle. To the right of the logo is a 'Select Language' button with a small globe icon. Below the logo, the text reads 'Welcome Test!' followed by 'You are now successfully registered as a member of the Neighbourhood Watch Network.' A yellow button labeled 'NEXT' is positioned below the text. At the bottom of the page, there is a copyright notice: '© Copyright NWN, All Rights Reserved 2019, CIO No: 1173349'.

The screenshot shows a welcome email from Neighbourhood Watch. The header includes the text 'Neighbourhood Watch | Join Us'. The main body of the email says 'Thank you for registering with Neighbourhood Watch'. Below this, it addresses the recipient as 'Dear Test,' and provides a detailed welcome message: 'We are pleased to welcome you to the Neighbourhood Watch movement. You have signed up as an individual member of Neighbourhood Watch Network, the umbrella charity for Neighbourhood Watch members and schemes across England and Wales. We support people who are looking to make a difference in their community - helping to make the place where you live safer, stronger, inclusive and vibrant. We do this by providing information, tools, and inspiring ideas for you to use within your local community, and by connecting you to like-minded people.' The email concludes with 'We have many volunteer-led Neighbourhood Watch schemes'.

Receive messages from the police and other community partners

An essential and powerful element of Neighbourhood Watch is to receive messages from national partners and information providers. For us to join together, combat crime and build safer communities, we recommend you receive these local messages.

Only licenced Information Providers are able to send messages and you control if they are able to see your details or not.

Available information providers

Below are the currently available information providers for you to receive information from. You will only receive information from the information providers you have selected.

- Fire & Rescue Service ([More information](#))
- Get Safe Online ([More information](#))
- Neighbourhood Watch ([More information](#))
- Office of the Police & Crime Commissioner ([More information](#))
- SGN (Gas Emergency Service) ([More information](#))
- The Police ([More information](#))

Create or join a scheme

Our records currently show that you are not a member of a scheme. Please use the options below to either join an existing scheme on the system or create a new scheme.

Existing schemes in your area

Please use the dropdown list to select a scheme near to you. If you are happy that this is the correct scheme for you select your role inside the scheme and apply to join.

Schemes near you:

-- Please select --

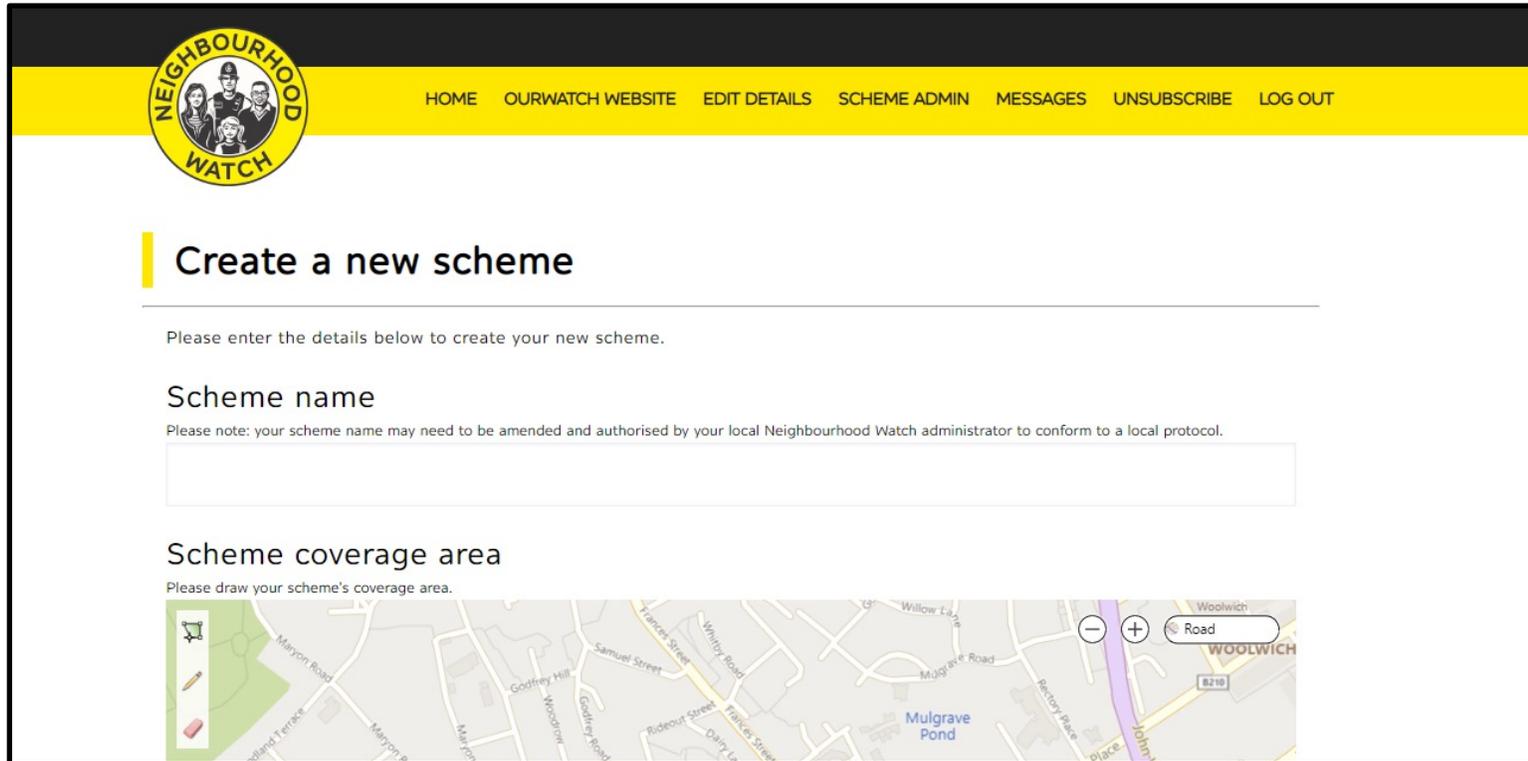

APPLY TO JOIN SCHEME

Click here to see a list of local schemes in your area – select scheme that you want to join and click **APPLY TO JOIN SCHEME**

Scroll down to start a scheme. At bottom click on **click here to start a new scheme**

Starting a new scheme

The screenshot shows the 'Create a new scheme' page on the Neighbourhood Watch website. At the top left is the Neighbourhood Watch logo. A yellow navigation bar contains links for HOME, OURWATCH WEBSITE, EDIT DETAILS, SCHEME ADMIN, MESSAGES, UNSUBSCRIBE, and LOG OUT. The main heading is 'Create a new scheme'. Below it, a note says 'Please enter the details below to create your new scheme.' There are two main sections: 'Scheme name' with a text input field and a note that the name may need to be amended; and 'Scheme coverage area' with a map of Woolwich, London, where a green polygon is drawn to indicate the coverage area. The map includes labels for streets like Maryon Road, Samuel Street, and Mulgrave Road, and features like Mulgrave Pond.

Insert Scheme Name –
Road or area plus
postcode

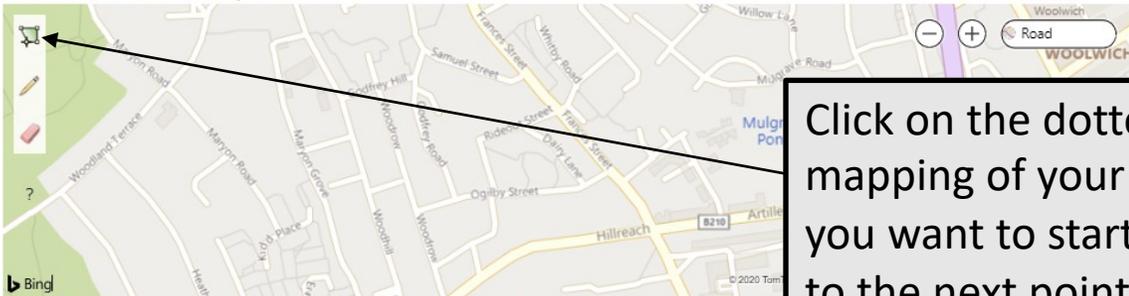

Mapping your scheme

Mapping your scheme means that users will be able to find your scheme using their postcode and your scheme will show on our website.

Please enter the details below to create your new scheme.

Scheme name
Please note: your scheme name may need to be amended and authorised by your local Neighbourhood Watch administrator to conform to a local protocol.

Scheme coverage area
Please draw your scheme's coverage area.

To draw your scheme coverage area, click the draw icon at the top left to begin drawing. Once finished, click the done icon. For more information, see [a video guide here](#).

Number of households covered by your scheme

Click on the dotted box to start your mapping of your scheme. Click where you want to start and drag the cursor to the next point to draw a box/shape that reflects your scheme area. Only cover the area that your scheme is in, if you only do one side of the road, then only select that one side.

Complete scheme registration
